Registering on the My Health Toolkit LA Website

Register at MyHealthToolkitLA.com/links/FMOLHS with your social security number and date of birth.

- View and print your ID card.
- Review and print claims information.
- Review the status of authorizations.
- Search for a provider.
- And more!

Did you know you can download your Member ID card on the Blue Cross App?

If you're enrolled in a FMOLHS Health Plan, you can download the My Health Toolkit LA mobile app to access your ID Card. You can even add it to your apple wallet and have it wherever you go.

Reminder: Your ID card will only have your name on it but will work for your covered dependents too.

Registering on the My Health Toolkit Mobile App:

Your benefits are with you wherever you go, whenever you need them with the [My Health Toolkit app](#). You can even add it to your apple wallet.

With it, you can:

- View and share your digital ID card.
- Check the status of your claims fast.
- See what's covered by your health plan.
- Find a local provider who's right for you.
- And more!

Download it today — it's there whenever you need it! Just grab your mobile device and search for My Health Toolkit in the App Store or Google Play.

For more information on the app and to get started, check out the flyer to the right. For more information about your benefits, contact the askHR team at askHR@fmolhs.org.
