Open Enrollment is Wednesday, November 1 – Wednesday, November 15, 2023!

Covering dependents? Submit all required dependent documents by November 15.

Just Premium applications are due by November 15.

If you and/or your dependents have Medicare or will become eligible for Medicare in the next 12 months, a federal law gives you more choices about your prescription drug coverage. See [page 50](#) for more information concerning Medicare Part D coverage.

Just as our team members are more than their job descriptions, our rewards program is more than compensation and benefits. Our Total Rewards Program is inspired by our team members and what's important to you. We know priorities can change and we are committed to offering flexible and competitive offerings to care for you and your family, during every stage of life.

Our program is unique to our organization and combines six distinct areas that you can use to meet your individual and family needs:

My Purpose	My Personal Growth & Development
My Compensation	My Recognition
My Benefits	My Health & Well-Being

This guide will help you understand more about the benefit coverage options and rewards available to you as a team member of FMOLHS.

What’s Changing for 2024

New Service Provider for Vision Plan

Effective January 1, 2024, vision benefits will be provided through EyeMed Vision Care. Through our new service provider, you will find opportunities for enhanced coverage levels at no cost or reduced costs to you. See [page 32](#) for additional details.

Introducing a Voluntary Hospital Indemnity Insurance Plan

During Open Enrollment you may choose optional coverage through the Voluntary Hospital Indemnity Insurance Plan provided by Lincoln Financial Group. Your medical plan provides benefits for covered services, but you may still be responsible for coinsurance, deductibles, and other out-of-pocket costs. This voluntary plan provides supplemental payments that you can use for any purpose, including mortgage/rent payments, utilities, childcare, copayments, coinsurance and deductibles. See [page 41](#).

PTO Sellback Enrollment Period Has Changed

Many of you have asked about the PTO Sellback Program. In 2023, you will make PTO Sellback elections in Oracle during Open Enrollment, November 1 - November 15. Visit the Virtual Benefits Fair for more details.

FMOLHS Network Updates

The FMOLHS primary care and specialty network continues to grow and offer even more convenient access to care including extended hours and virtual visits. New providers and locations have also been added to ensure that team members have access to more primary care, and virtually every specialty within our health system. The EPO and PPO networks have been updated for 2024. It's important to review the updated [online provider directory](#) to confirm your provider(s) remain in network.

Voya Financial to Manage FSA and HSA

Beginning January 1, 2024, Voya Financial will be the service provider for our Health Savings Account (HSA), Medical Flexible Spending Account and Limited Use FSA. If you are participating in one or more of these accounts, look for more information soon about the transition to Voya Financial. Also, the HSA and FSA limits have increased in 2024. Check out your new spending limits on [page 34](#) and [page 36](#).

Medical Plan Updates

For 2024, FMOLHS will continue to offer three medical plan options to team members with some plan design changes around deductibles and out-of-pocket maximums. See [page 12](#) for details.

Healthcare Cost Savings Opportunity

In 2024, Just Premium, our reduced health premium opportunity, has increased maximum household income limits across all tiers, expanding access to those eligible for a reduced premium. Visit [page 28](#) for more details.

Choosing the right benefits is easy when you visit our new Virtual Benefits Fair!

This online resource is customized for FMOLHS and offers support for decisions you're making during Open Enrollment. You'll find virtual booths where you can connect with vendors, access informational videos and more. The Virtual Benefits Fair is available anytime from any device at virtualfairhub.com/FMOLHSbenefits. The Benefits Fair will also be available after Open Enrollment. Be sure to visit for information and help managing your benefits during the year.

Eligibility & Dependent Eligibility

All active full-time (0.8 to 1.0 FTE) and part-time (0.5 - 0.79 FTE) team members are eligible for benefits with FMOLHS.

As a benefits-eligible team member, you and your eligible dependents may participate in the FMOLHS benefits program. Your eligible dependents include:

- Your legal spouse
- Your dependent children up to age 26 (includes stepchildren, legally-adopted children or children placed with you for adoption, foster children and grandchildren for whom you have legal custody)
- Your dependent child, regardless of age, provided they are incapable of self-support due to a mental or physical disability, is fully dependent on you for support as indicated on your federal tax return, and is approved by your health plan to continue coverage past age 26

Upload dependent verification documents in [Oracle Employee Self Service](#) under Benefits.

When you add dependents to your core benefits coverage, you'll need to provide documentation that each dependent meets the eligibility requirements (i.e., marriage certificate, birth certificate, court order, etc.). To maintain coverage, upload the required documents in [Oracle Employee Self Service](#) by November 15, 2023. The documents shown here are required in our verification process.

Spouse	Natural Child*	Stepchild* (Requires spouse & child verification documents)	Adopted Child/Child Placed for Adoption*	Foster Child*	Grandchild*
Marriage certificate AND <ul style="list-style-type: none"> • Current or previous year tax return face sheet OR <ul style="list-style-type: none"> • Proof of current joint ownership (mortgage, bank account, rental agreement, auto insurance, etc.) 	Birth certificate; for newborns, birth letter from hospital	Birth certificate AND verification of current marriage between team member and natural parent (see spouse verification requirements)	Adoption certificate/ placement letter from court or adoption agency for pending adoptions	Proof of legal custody, such as a court order	Proof of legal custody, such as a court order AND Copy of current tax return that identifies grandchild as a taxable dependent

**Less than age 26 regardless of marital or student status*

FMOLHS reserves the right to audit dependent verification documents at any time.

When Coverage Begins

Coverage is effective January 1 - December 31, 2024, for benefit elections made during Open Enrollment - November 1 - 15, 2023.

Making Benefit Changes During the Year

The benefit elections you make during Open Enrollment will be effective January 1 through December 31, 2024. After this year's Open Enrollment period ends, you may not change or cancel your benefit elections during 2024 unless you experience a qualifying life event. Qualifying life events include, but are not limited to these changes:

- Your FTE status from part-time to full-time or full-time to part-time results in a significant increase or decrease in your premiums (medical and dental)
- Your legal marital status changes (marriage and divorce)
- There's an increase or decrease to the number of your dependents (birth, adoption or child is no longer an eligible dependent)
- Your spouse's employment status results in a loss or gain of coverage
- Your employment that results in a loss or gain of coverage
- Entitlement to Medicare or Medicaid*

**If you become eligible for or lose coverage under Medicaid or a state child health plan, you must enroll or terminate coverage within 60 days.*

Changes must be made in **Oracle Employee Self Service** within 30 days of your qualifying life event (For example, if you get married on March 1st, you must enroll no later than March 30th).

How to Enroll

You must enroll in **Oracle Employee Self Service** by Wednesday, November 15, 2023.

Be sure you review your Oracle account prior to Open Enrollment and ensure your time zone is set to Central time zone versus the default of UTC time zone. Not updating your time zone may impact your ability to enroll on the last day of the enrollment period.

We have tools and resources to help you choose your benefits! See [page 9](#).

1. Consider Your Choices

Review this guide to understand your options and consider the coverage that fits for you and your family in 2024.

2. Review Your Personal Information

Make updates, if needed, and remember to make sure your Oracle account is set to Central time zone.

3. Enroll Online from Work or Home eqtm.login.us2.oraclecloud.com

Your 2023 elections for medical, dental, vision and Medical FSA and some voluntary benefits end December 31, 2023. To enroll or make changes for 2024, take action during Open Enrollment.

4. Log in with Your Username and Password

- Click the **Me** tab
- Click the **Benefits** tile

Note: Before starting your enrollment, review My Benefit Resources Card for your benefit options and important notices

- Click the **Start Enrollment** button

5. Update or Add Your Dependents and Beneficiaries

- Complete all required fields for each new dependent or beneficiary
- Upload dependent verification documents to **Oracle Employee Self Service** under Benefits/My Documents

6. Review Your Dependent Child's Eligibility for Coverage

- Core benefits (health, dental and vision) – eligible to age 26 regardless of marital or student status
- Voluntary life benefits – eligible to age 26 regardless of marital status or student status
- Voluntary accident and critical illness benefits – eligible to age 26 regardless of marital status or student status

7. Save and Print Your Elections!

If your benefit elections are properly completed and saved, you'll receive a "Your benefit elections were saved" message on the screen. **If you do not receive that confirmation message, your elections were not properly completed. You must complete the election process again before the November 15, 2023, deadline.**

Go to My Benefits card to view and print a copy of your elections. You must have a copy of your 2024 benefit elections to report an enrollment problem.

Tools to Help You Choose

Tour the Virtual Benefits Fair

During this year's Open Enrollment, you'll have 24/7 online access to benefits vendors and resources. To support you in your benefits decision-making, the Virtual Benefits Fair allows you to:

- Watch short benefits videos at the Video Library booth
- Learn about programs to help you with stress management, mindfulness and well-being
- Connect with our medical, dental, prescription drug and voluntary benefit plan representatives through email or phone

The site is available anytime from any device. Visit virtuallfairhub.com/FMOLHSbenefits.

Enrolling in an FMOLHS Medical Plan? Register for My Health Toolkit

You'll have instant access to your benefits information, insurance cards, claims and covered local providers when you download the My Health Toolkit mobile app (MyHealthToolkitLA.com/links/FMOLHS). This free app is available 24/7 from your mobile device.

Sign up to get started:

1. Go to MyHealthToolkitLA.com/links/FMOLHS and select Register Now.
2. Enter the number on your Blue Cross Blue Shield membership card and your date of birth. If you don't have your membership card, you can enter your Social Security number.
3. Choose a username and password.
4. Enter your email address. You can choose to go paperless.

Your BCBS Membership Card

Your Blue Cross Blue Shield (BCBS) membership card contains important information that helps providers apply your benefits correctly. Keep it with you at all times by downloading your digital membership card to keep on your smartphone. It's so convenient!

Your digital card features the same information as your plastic card, including your deductible and out-of-pocket maximum. With the digital card, you can:

- View your card on your smartphone, tablet or computer
- Email the card to your spouse, child, doctor's office or pharmacy
- Print the card and use it like the plastic version

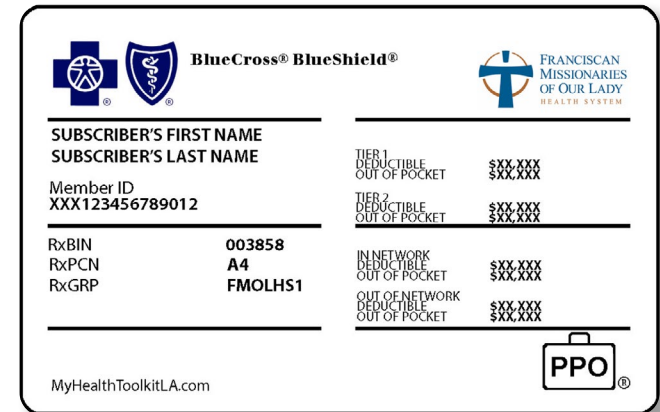

You can access your digital card through the My Health Toolkit app.

Log in to **My Health Toolkit**

- From your mobile device, select Insurance Card
- From a computer, select Insurance Card and then View Your Card

Important Note:

If you are enrolled in any FMOLHS Medical Plan, your card should feature "PPO" in the suitcase icon that appears on the front side of the ID card. All the providers included in the FMOLHS Health Plan Networks are contracted with BCBS PPO Product and as such the BCBS Association requires the "PPO" suitcase be present on the card.

Medical Plan Options

As you prepare to enroll for 2024, take a moment to review our three medical plan options to make sure the plan you choose is the right fit for you and your family.

All plans are administered through BCBS. The FMOLHS benefits program includes the EPO Plan, PPO Plan and HDHSA Plan. The plan you select should be chosen based on your family's healthcare needs and your budget, and it's important to remember that your costs - including the premium, annual deductible, coinsurance and out-of-pocket maximum - vary based on the plan you choose. As you consider your options, take a moment to compare them. Here's a quick overview:

Compare the plans before making your 2024 elections.

	EPO Plan	PPO Plan	HDHSA Plan
Network	<ul style="list-style-type: none"> Offers access to a narrow network of providers who are in our health system or considered our preferred providers There is no out-of-network coverage unless otherwise required by law 	<ul style="list-style-type: none"> BCBS network of providers who have agreed to discount their fees for services* You may choose out-of-network providers; however, you'll receive a higher level of benefit with a lower out-of-pocket cost when using in-network providers 	<ul style="list-style-type: none"> BCBS network of providers who have agreed to discount their fees for services You may choose out-of-network providers; however, you'll receive a higher level of benefit with a lower out-of-pocket cost when using in-network providers

*If you select the PPO Plan and you reside outside of Louisiana or Mississippi, you are eligible for out-of-area coverage at the Tier 2 coverage level if you see a BCBS provider in your home state. The out-of-area coverage is based solely upon the employed team member's address outside of Louisiana or Mississippi.

Medical Plan Comparison

The charts on pages 12-19 are summaries of the 2024 Health Plans for FMOLHS. A more comprehensive Schedule of Benefits for the Medical Plans can be viewed for the [EPO Plan](#), [PPO Plan](#) and [HDHSA Plan](#). All covered services are subject to medical necessity as determined by the Plan. All out of network services are subject to reasonable and customary (R&C) limitations.

EPO Plan

The EPO Plan will pay the designated percentage of covered charges if the provider is in the EPO network until out of pocket amounts are reached, at which time the Plan will pay 100% of the remainder of covered charges for the rest of the calendar year unless stated otherwise. The following charges do not apply toward the out of pocket maximum and are never paid at 100%: deductible(s), cost containment penalties, and above usual and customary charges. There is **no** out-of-network coverage unless otherwise required by law.

	FMOLHS EPO Network	Out-of-Network

HDHSA Plan

The HDHSA Plan is a high deductible health plan with a tax-free **health savings account (HSA)**. You determine how much you'll contribute to the account, when to use the money to pay for qualified medical, prescription, dental and vision services, and when to reimburse yourself. HSAs allow you to save and roll over money if you do not spend it in the calendar year. The money in this account is portable, even if you change plans or jobs. Company HSA contributions will be pro-rated based on enrollment date.

You cannot open an HSA if:

- You have other health coverage that helps you pay for healthcare expenses before your deductible is met.
- You also have Medicare or TRICARE.
- You or your spouse has a flexible spending account (FSA) or health reimbursement arrangement (HRA). (You are allowed to participate in a Limited Use FSA, which would only cover Dental and Vision expenses.)
- Someone else claims you as a dependent.
- You have used Veterans Affairs hospital or medical services in the three months prior to opening your HSA, unless it was for a disability related to your military service.

Easy Steps to Navigate Our Network

In-Network

We understand the importance of finding a healthcare provider who can best meet the needs of you and your family. We also understand how daunting it might be to scroll through a list of doctors in search of the best fit. Our **Network Guides** can help you:

- Find a provider in network
- Check if a provider you are already seeing is in network prior to enrollment
- Assist with scheduling an appointment with network-based primary care physicians
- Check availability of a specialty service within our network

Call **(855) 875-6265** to connect with a Network Guide today.

Note:

Always verify a provider's network status by calling Blue Cross Blue Shield at (833) 468-3594 or by logging on to [MyHealthToolkitLA.com/links/FMOLHS](https://www.myhealthtoolkitla.com/links/FMOLHS). If the provider address listed on the directory is not the address where care will be delivered, the provider may not be in network. Contact BCBS to confirm.

Did you know?

The providers in the EPO Network are the same providers included in the PPO Tier 1 and Tier 2 Networks.

Navigating Care & Costs

Higher Cost Care

Walk-In or Urgent Care

When you are unable to see your primary care provider the same day. For non-life-threatening medical issues that need urgent attention.

*It's important to communicate with your primary care provider after your urgent care visit to provide an update on any new medical issues or medication changes.

No appointment needed. If further help is recommended, your provider will suggest an appointment.

Emergency Room

Emergency same day care for serious or life-threatening illnesses and injuries. Call 911 immediately for critical needs.

- Serious head, neck, or body injuries
- Stroke symptoms, facial drooping, trouble speaking, vision loss, numbness arms/legs (Call 911)
- Chest pain, pressure, numbness arms/legs (Call 911)
- Severe cuts, bleeding, pain, burns
- Severe broken bones, especially bones through skin
- Severe allergic reactions
- Seizures
- Falls, weakness
- Poisoning
- Other life-threatening conditions

No appointment needed due to critical medical need.

Care Outside Our Network

Although this is not common, there may be times when an in-network provider is not available within the FMOLHS customized EPO network and PPO Tier 1 and Tier 2 network. In such a situation, a network exception may be available. To receive an exception, you must complete the Network Exception form and have it signed by your provider. Signed and completed forms must be submitted to BCBS of South Carolina **before services are rendered to be considered**. BCBS SC will notify you of their decision on your request.

Submit all completed requests in writing via:

- Fax: **(803) 264-0259**
- By email: fmolhsexception@bcbscc.com
- By mail:
Blue Cross Blue Shield of South Carolina
Attn: Network Waiver, AX-630
P.O. Box 100300
Columbia, SC 29202

Note:

The network exception MUST be requested and approved before services are rendered. If the request is made after services are rendered, it will not be considered unless otherwise required by law.

Pharmacy Benefits

Each of our medical plan options includes prescription drug coverage through Express Scripts.

All prescription drugs covered by the plan are categorized into four tiers: Generic, Preferred, Non-Preferred and Specialty Drugs. Your cost is based on the tier assigned to the prescription drug and whether the medication is for a 30-day or 90-day supply. You may contact Express Scripts for information on your benefit coverage and search for network pharmacies by logging on to express-scripts.com/fmolhs or calling Express Scripts Customer Care at (877) 816-8717.

Tips to Make the Most of Your Prescription Drug Coverage

The cost of prescription drugs is rising faster than many other healthcare services and supplies. Here are a few ways to help you save:

- Use mail order service for maintenance medications. If you regularly take medication to treat a chronic condition, such as an allergy, heart disease, high blood pressure, or diabetes, use the RxONE mail order option for a 90-day supply for a lower copay.
- Ask your doctor about generic medications. Generic medications are generally just as effective as brand-name medications, yet the cost of generics is substantially lower for you and FMOLHS.
- Review your plan to understand the benefits provided for prescription drugs. Visit express-scripts.com/fmolhs to check your plan's coverage and find prices of medications covered.

Reduce Your Out-of-pocket Costs for Medications through RxONE

RxONE is our FMOLHS-owned, in-house pharmacy, where you can receive reduced copays for prescriptions, including mail order/90-day prescriptions and specialty medications. In addition to discounts, RxONE offers personal service through their in-store or curbside delivery options, faster fill times, immunizations and ease of access to our pharmacists. Find an [RxONE pharmacy location](#) near you to begin taking advantage of the cost savings and personalized service.

Just Premium

Through the “Just Premium” program, team members who apply and qualify for financial assistance based on total household income can receive a reduced premium for the EPO and PPO plan options.

The program aligns with our Mission and provides eligible full-time equivalent team members with higher FMOLHS subsidies to improve affordability and access to healthcare coverage.

Based upon your total household income (adjusted gross income), the number of dependents you claim on your 2022 Federal Individual Income Tax Return, and your hourly base rate, you and your family may be eligible for the Just Premium reduction.

Dependents Listed on Tax Return	Maximum Household Income
0	\$25,515
1	\$34,510
2	\$43,505
3	\$52,500
4+	\$61,495
Current maximum hourly rate: \$32.00	

To apply for Just Premium:

1. Select My Benefits on our Total Rewards site and then click on the [Just Premium Application](#) link.
2. Print and complete the application and attach a copy of the first two pages of your 2022 Federal Individual Income Tax Return. If you are married, filing jointly, submit one tax return. If you are married, filing single or head of household, you’ll need to submit copies of the first two pages of your tax return and your spouse’s return.
3. Return the application and tax return(s) to JustPremium@fmolhs.org or fax (225) 765-9307 by November 15, 2023.

To ensure you receive a decision on eligibility for the Just Premium before you select your 2024 benefits, please submit your application and tax return by October 31, 2023. Applications that are submitted by November 15th will be reviewed, but you may not know the status of your eligibility until after you’ve enrolled in benefits. We are unable to allow changes to benefit elections after November 15, 2023, regardless of your Just Premium eligibility, so do not delay enrolling in benefits while waiting on your application decision.

Note:

If you did not file a 2022 Income Tax Return, you will not be eligible for the 2024 Just Premium program.

Dental Plan Options

Proper dental care plays an important role in your overall health. FMOLHS offers two dental plans through Delta Dental: the Basic Plan and the Buy Up Plan.

Both options provide preventive care at 100% and benefits for a variety of other dental care services. The plans allow you to visit any licensed dentist, but you'll maximize the value of the plan when you receive dental services from **Delta Dental's network** of providers.

	Basic Plan	Buy Up Plan

Vision Plan Options

Our benefits program includes two options for vision care through EyeMed Vision Care: the Basic Plan and the Buy Up Plan. Vision care includes regular eye exams, which can help detect diseases like glaucoma, diabetes and loss of sight. Hearing aid discounts are available through both plan options. **Providers in the EyeMed Vision Care network offer the lowest out-of-pocket costs, and your copayments will be paid directly to the provider.** To find a network provider, log on to [EyeMed's website](#). If you choose an out-of-network provider, your copayment will be deducted from the out-of-network reimbursement.

Health Savings & Spending Accounts

Health Savings Account (HSA)

Take charge of your healthcare spending with a Health Savings Account (HSA). Your HSA can be used for qualified expenses, including doctor’s office visits, eye exams, prescription expenses, laser eye surgery and more. You’ll find a complete list of eligible expenses at [IRS.gov](https://www.irs.gov).

The HSA has triple tax advantages:

1. No federal income taxes are required on the money you or FMOLHS contribute to the account. In most states, you avoid state taxes on the account, too.
2. The earnings on your HSA grow tax-free. The account is a great way to save money for healthcare expenses throughout your career and during retirement.
3. The money you withdraw to pay for eligible medical expenses – today or in the future – is not subject to taxes.

Note that HSA elections do not automatically continue from year to year. You must actively enroll each year.

Here’s How the HSA Works.

- 1 Select the HDHSA Medical Plan for 2024.
- 2 Select your contribution.

	FMOLHS will contribute up to	You can contribute up to
Employee only	\$750	\$3,400
Family	\$1,500	\$6,800

If you are 55 or older, you may contribute an additional \$1,000 each year in catch-up contributions.

- 3 **FMOLHS will establish an HSA account with Voya Financial in your name** and send in your contribution once bank account information has been provided and verified. The FMOLHS contribution will be made at one time, while your contribution will be spread over 26 pay periods.
- 4 **Use your debit card** issued by Voya or submit eligible expenses for payment or reimbursement. If you contribute to both the HSA and LUFSA, one debit card issued by Voya will access both accounts.
- 5 **Grow your account! Unused balances roll over from year to year.** The account can add up to a substantial nest egg during your career.
- 6 **All of the money in the account is yours** to use for eligible healthcare expenses now or in the future – even if you retire or leave FMOLHS.

Health Savings Account (HSA)

Important Note:

You are eligible to open and contribute to an HSA if:

- You are enrolled in the HDHSA plan.
- You are not covered by your spouse's medical or FSA plan.
- Your spouse does not have a Medical FSA or Health Reimbursement Account.
- You are not eligible to be claimed as a dependent on someone else's tax return.
- You are not enrolled in Medicare or TRICARE.
- You have not received Department of Veterans Affairs medical benefits in the past 90 days for non-service-related care. (Service-related care will not be taken into consideration.)

For more HSA information, visit [Voya's website](#).

If you do not complete the vetting process and open your HSA with Voya, contributions will be returned and may be taxable to you.

What if I have an HSA in 2023?

More details will be shared soon on the process to transition the assets in your current HSA to Voya Financial.

Flexible Spending Accounts (FSAs)

Flexible Spending Accounts (FSAs) are designed to save you money on your taxes.

When you participate in an FSA, your contributions are deducted from your pay on a pre-tax basis and deposited into your FSA. All of the money you elect for the plan year is available on day one and you can use the account to pay for **eligible expenses**. When you enroll in an FSA, you'll receive a debit card that can be used for eligible expenses. You may also pay an invoice and then request reimbursement from your account.

Questions about the FSAs?

[We've got answers!](#)

Here's a quick overview of your FSA options:

Account Type	Who's Eligible	Eligible Expenses	Contribution Limits	"Use it or Lose it" at the end of the year?	Benefit
Medical Flexible Spending Account	Benefits-eligible team members enrolled in the EPO, PPO or another health plan that does not include an HSA	Most medical, dental and vision care expenses that are not covered by your health plan (such as copayments, deductibles, eyeglasses and prescribed over-the-counter medications)	\$3,050	Yes	Save on eligible expenses not covered by insurance; reduces your taxable income
Limited Use Flexible Spending Account (LUFSA)	Benefits-eligible team members enrolled in the HDHSA Medical Plan or another high deductible health plan with an accompanying HSA	Most dental and vision care expenses that are not covered by the medical plan*	\$3,050	Yes	Save on eligible expenses not covered by insurance; reduces your taxable income

**When you use your Voya debit card to pay for eligible dental and vision expenses, the available dollars will always pull from LUFSA first until that account is exhausted and then the dollars will pull from your HSA.*

General FSA Rules and Restrictions

In exchange for the tax advantages FSAs offer, the IRS has imposed the following rules and restrictions for healthcare FSAs:

- Your expenses must be incurred during the 2024 plan year.
- Your dollars cannot be transferred from one FSA to another.
- You must "use it or lose it" – any unused funds will be forfeited.
- You cannot change your FSA election in the middle of the plan year unless you have a qualified life status change, such as a marriage, divorce or birth of a child.

Note that FSA elections do not automatically continue from year to year. You must actively enroll each year.

Income Protection

Basic Life and Accidental Death & Dismemberment (AD&D) Insurance

Basic Life and Accidental Death & Dismemberment (AD&D) insurance coverage is an important component of your financial security. Benefits-eligible team members are automatically enrolled in this coverage through Lincoln Financial Group. Your Basic Life and AD&D coverage is equal to 1.5 times your basic annual earnings (up to a maximum of \$50,000). **FMOLHS pays the full cost of this benefit.**

Group Life Insurance

Team members who are currently enrolled in Grandfathered Group Supplemental and Grandfathered Group Dependent Life insurance plans can continue their enrollment in these plans. Coverage through these plans was frozen as of December 31, 2014, and new enrollments are not accepted in these plans. Premiums are paid through post-tax payroll deductions.

Grandfathered Supplemental Life and Dependent Life coverage is convertible if your employment ends for a reason other than a total disability or retirement. To continue insurance, written application and the first premium payment must be made within 31 days of the date insurance would otherwise end.

Update Beneficiary Information

It's important to name a primary and contingent beneficiary - and to keep their information up to date - for your life and AD&D insurance coverage. Log into [**Oracle Employee Self Service**](#) to designate a beneficiary or update beneficiary information for your Basic Life and AD&D coverage and voluntary life insurance coverages. You can make updates to beneficiary designations during Open Enrollment under the Life Insurance section or any time after Open Enrollment.

Benefit Reductions

Benefits through the Basic Life and AD&D Insurance, as well as the Grandfathered Group for Supplemental Life Insurance, will be reduced when you (or your covered dependent) reach certain ages, as shown here.

If you initially enroll for Employee Life and AD&D Insurance at age 65 or older, the above age reductions will apply to any guaranteed issue amount and to the maximum eligible amount.

Age	Reduction
At age 65	Benefit will reduce by 35% of the original amount
At age 70	Benefit will reduce an additional 15% of the original amount
At age 75	Benefit will reduce an additional 15% of the original amount
At retirement	Benefit will terminate when the insured person retires

FMOLHS provides Short Term Disability (STD) and Long Term Disability (LTD) administered by Lincoln Financial.

Short Term Disability (STD)

FMOLHS provides Short Term Disability (STD) insurance at no cost to part-time and full-time benefits-eligible team members (0.50-1.0 FTE). This coverage provides protection for up to 60% of your basic annual earnings if you become partially or totally disabled for a short period of time. The STD benefit is payable following seven (7) days of a qualifying illness or injury. The benefit is payable for up to 12 weeks.

Long Term Disability (LTD)

Our benefits program includes Long Term Disability (LTD) insurance to full-time benefits-eligible (0.8-1.0 FTE) team members. FMOLHS provides Group Core LTD which offers coverage that protects up to 50% of your basic monthly salary if you become partially or totally disabled for a long period of time. You and FMOLHS share the cost of this coverage.

You may elect optional coverage through the Group Buy Up LTD plan which provides a benefit of up to 60% of your basic monthly salary. You pay the full cost of the Group Buy Up LTD coverage.

	Group Core LTD	Group Buy-Up LTD
Coverage Amount	50% of basic monthly salary	60% of basic monthly salary
Who Pays	You & FMOLHS share cost	You pay full cost
When Benefits Are Payable	Following 90 days of disability	Following 90 days of disability
Maximum Monthly Benefit	\$3,000 per month	\$10,000 per month
When Evidence of Insurability is Required	Any election after original enrollment period	Any election after original enrollment period

Payments continue as long as you are disabled or until you reach your Social Security Normal Retirement Age, whichever is sooner. Any other benefits you receive (such as Social Security, Workers' Compensation, pension benefits, or benefits from any similar act or plan) will reduce your LTD benefit amount. Certain exclusions, as well as pre-existing condition limitations, may apply.

FMOLHS offers voluntary benefits through Lincoln Financial Group to all eligible team members. These benefits are designed to provide financial security at an affordable price. You pay for this coverage through payroll deduction (24 deductions).

Critical Illness Insurance

Critical Illness Insurance through Lincoln Financial Group can provide financial support to help you through a serious illness, such as a heart attack, cancer or stroke. This coverage provides a lump-sum benefit to cover out-of-pocket expenses for your treatment, to pay coinsurance, or to take care of everyday living expenses, which may include housekeeping services, special transportation services and childcare.

Take a moment during Open Enrollment to review the [highlights of the Critical Illness Insurance](#) policy.

Critical Illness is available annually at Open Enrollment, even if you waived coverage previously. Rates for Critical Illness are based on your attained age. This means your rate will change as you age. You can view the current rates in Oracle Employee Self Service when enrolling in coverage.

New! Hospital Indemnity Insurance

For our 2024 Open Enrollment, a Hospital Indemnity Insurance plan is available to all team members. This voluntary plan is provided by Lincoln Financial Group and provides supplemental payments associated with a hospital stay that you can use for any purpose, including mortgage/rent payments, utilities, childcare, copayments, coinsurance and deductibles. Hospital Indemnity Insurance can help pay for out-of-pocket costs associated with a hospital stay. It pays both admission and daily benefits for these stays. If you elect this insurance, you'll pay for coverage through payroll deductions.

Review the [highlights of the new Hospital Indemnity Insurance](#) voluntary plan to learn more.

Voluntary Accident Insurance

Voluntary Accident Insurance through Lincoln Financial Group helps protect you from unexpected financial stress if you or a covered family member has an accident. The coverage supplements your primary medical plan by providing cash benefits in cases of covered accidental injuries. You can use this money to help pay for medical expenses not paid by your medical plan (such as your deductible or coinsurance) or for anything else, including everyday living expenses.

Accident insurance pays cash for accidental injuries, covers multiple injuries from the same accident, is available for spouses and children, includes travel assistance and includes on the job accidents.

As you consider your 2024 benefit elections, take some time to review the [highlights of the Voluntary Accident Insurance](#) policy.

Time Off

Our Total Rewards package includes several time off programs for benefits-eligible team members.

Paid Time Off (PTO)

Eligible team members begin earning PTO immediately upon hire. Time used will be based on the accrual earned. The annual accrual schedule* is:

0 - 4 years	132 hrs (16.5 days)
5 - 9 years	156 hrs (19.5 days)
10 - 14 years	180 hrs (22.5 days)
15 - 19 years	204 hrs (25.5 days)
20 - 24 years	228 hrs (28.5 days)
25 years +	252 hrs (31.5 days)

You may carry over PTO, up to a maximum of 328 hours.

**Part-time PTO accrual rates are prorated (Years of service credit is determined by adjusted hire date.)*

PTO Sell Back

To help team members manage PTO balances, FMOLHS offers a PTO Sell Back program. You may elect to sell back future PTO accruals. The combination of PTO accruals and PTO sell back accruals must not exceed 328 hours. Hours in excess of 328 will not be paid out to you.

Holidays

FMOLHS recognizes these holidays: New Year’s Day, Good Friday, Independence Day, Labor Day, Thanksgiving Day and Christmas Day. Part-time holiday accrual rates are prorated.

Bereavement Leave

The program provides up to three (3) scheduled workdays (not to exceed 24 hours) paid leave for a death in your immediate family (parent, step-parent, brother, sister, spouse, dependents including stepchildren, parent-in-law, grandchildren, grandparent and great-grandparent).

Jury Duty

The policy applies to all team members and provides for time off from regularly scheduled work to serve on a local, state or federal jury in response to a jury summons and may be eligible for jury compensation.

403(b) Savings Plan

The FMOLHS 403(b) retirement plan features:

- Core contributions from FMOLHS
- Matching contributions from FMOLHS when you contribute to the plan

403(b) Core Contribution

If you work at least 1,000 hours during the year and are employed on the last day of the calendar year, you are eligible for a core contribution of 2% of your pay into your 403(b) account. The payment is made annually, and you do not need to contribute to the 403(b) Savings Plan to receive the FMOLHS core contribution.

Your Contributions

The 403(b) Savings Plan is a convenient way to save for your future through payroll deductions. When you enroll in the plan, you may contribute up to 100% of your pay on a pre-tax or Roth (after-tax) basis, up to the IRS annual limit (\$19,500 in 2023). If you are 50 or older (or will reach age 50 by the end of 2024), you may contribute an additional \$6,500 annually in catch-up contributions.

Newly hired team members are automatically enrolled in the plan at a 4% contribution rate. You may change your deferral rate or opt out at any time.

FMOLHS Matching Contributions

When you contribute to the 403(b) Savings Plan, you are eligible to receive matching contributions from FMOLHS. You must work at least 1,000 hours during the year and be employed on the last day of the calendar year to be eligible. FMOLHS will provide a 50% matching contribution for each dollar you contribute to the plan, up to the first 6%. For example, if you contribute 6% of your pay to the 403(b) Savings Plan, FMOLHS will add an additional 3% to your account. The matching contributions are made annually.

Vesting

FMOLHS core contributions and matching contributions are 100% vested after three years of service. If you leave FMOLHS before being fully vested, you will forfeit the core and matching contributions. You are always 100% vested in your contributions and their earnings.

Enroll in and manage all of your FMOLHS retirement accounts at LincolnFinancial.com/FMOLHS.

FMOLHS offers an engaging well-being program designed to help all team members grow and thrive by participating in health and well-being activities.

By participating in the 2024 Health and Wellness Program, you'll make progress on your personal well-being goals, earn points toward rewards, and have fun completing the program's various activities and challenges. You can earn up to 550 points or \$550 in rewards.* Rewards include Amazon items, hotels, virtual pre-paid cards, e-gift cards, movie tickets, or cash the points in for additional money in your paycheck. Points are available for redemption on the 15th of each month.

**The maximum annual awards are prorated based on your employment status: full-time 100%, part-time 50% and PRN 25%. To receive the reward, you must be actively employed by FMOLHS on the date of the reward payment. Reward payments are subject to state and federal taxes.*

To participate in the 2024 Health and Wellness Program and begin earning points, follow these steps:

- 1 Complete your **HRA Questionnaire** on the Healthy Lives app or **online**
- 2 **Schedule and complete your wellness visit** with your PCP between December 16, 2023 and December 15, 2024. During your visit, you'll have a wellness exam and biometric screening.
- 3 **Participate in approved activities** that help you achieve your goals and earn rewards. View the catalog of **approved activities** and choose activities and challenges that fit your work-life schedule. Follow the steps to confirm your participation in the activities.
- 4 **Redeem your rewards points!** Visit the **Awardco site** to register and access your rewards.

Our wellness partner, Healthy Lives, offers personal health coaches to help you understand wellness screening results and create a customized well-being plan. You can earn points for working with the personal health coach, too!

Important Notice from Franciscan Missionaries of Our Lady Health System About Your Prescription Drug Coverage and Medicare under the FMOLHS Health Plan(s)

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Franciscan Missionaries of Our Lady Health System and about your options under Medicare’s prescription drug coverage. You are responsible for providing this notice to any Medicare eligible dependents covered under the Health Plan. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare’s prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Franciscan Missionaries of Our Lady Health System has determined that the prescription drug coverage offered by the FMOLHS Health plan(s) is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare during a seven-month initial enrollment period. That period begins three months prior to your 65th birthday, includes the month you turn 65, and continues for the ensuing three months. You may also enroll each year from October 15th through December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Franciscan Missionaries of Our Lady Health System coverage will not be affected. For most persons covered under the Plan, the Plan will pay prescription drug benefits first, and Medicare will determine its payments second. For more information about this issue of what program pays first and what program pays second, see the Plan’s summary plan description or contact Medicare at the telephone number or web address listed herein.

If you do decide to join a Medicare drug plan and drop your current Franciscan Missionaries of Our Lady Health System coverage, be aware that you and your dependents will not be able to get this coverage back.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Franciscan Missionaries of Our Lady Health System and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information about This Notice or Your Current Prescription Drug Coverage...

Contact the person listed at the end of these notices for further information. NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Franciscan Missionaries of Our Lady Health System changes. You also may request a copy of this notice at any time.

For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227).
- TTY users should call 1-877-486-2048

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web

at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Medicare Part D notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

Women's Health and Cancer Rights Act

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Protheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan.

For deductibles and coinsurance information applicable to the plan in which you enroll, please refer to the summary plan description. If you would like more information on WHCRA benefits, please contact Human Resources at (833) 482-7547.

HIPAA Privacy and Security

The Health Insurance Portability and Accountability Act of 1996 deals with how an employer can enforce eligibility and enrollment for health care benefits, as well as ensuring that protected health information which identifies you is kept private. You have the right to inspect and copy protected health information that is maintained by and for the plan for enrollment, payment, claims and case management. If you feel that protected health information about you is incorrect or incomplete, you may ask your benefits administrator to amend the information. For a full copy of the Notice of Privacy Practices, describing how protected health information about you may be used and disclosed and how you can get access to the information, contact Human Resources at (833) 482-7547.

HIPAA Special Enrollment Rights

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to later enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing towards your or your dependents' other coverage).

Loss of eligibility includes but is not limited to:

- Loss of eligibility for coverage as a result of ceasing to meet the plan's eligibility requirements (i.e. legal separation, divorce, cessation of dependent status, death of an employee, termination of employment, reduction in the number of hours of employment);
- Loss of HMO coverage because the person no longer resides or works in the HMO service area and no other coverage option is available through the HMO plan sponsor;
- Elimination of the coverage option a person was enrolled in, and another option is not offered in its place;

- Failing to return from an FMLA leave of absence; and
- Loss of coverage under Medicaid or the Children's Health Insurance Program (CHIP).

Unless the event giving rise to your special enrollment right is a loss of coverage under Medicaid or CHIP, you must request enrollment within 30 days after your or your dependent's(s') other coverage ends (or after the employer that sponsors that coverage stops contributing toward the coverage).

If the event giving rise to your special enrollment right is a loss of coverage under Medicaid or the CHIP, you may request enrollment under this plan within 60 days of the date you or your dependent(s) lose such coverage under Medicaid or CHIP. Similarly, if you or your dependent(s) become eligible for a state-granted premium subsidy towards this plan, you may request enrollment under this plan within 60 days after the date Medicaid or CHIP determine that you or the dependent(s) qualify for the subsidy.

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

To request special enrollment or obtain more information, contact Human Resources at (833) 482-7547.

NO SURPRISES ACT NOTICE

YOUR RIGHTS AND PROTECTIONS AGAINST SURPRISE MEDICAL BILLS

When you get emergency care or get treated by an out-of-network provider at an in-network hospital or ambulatory surgical center, you are protected from surprise billing or balance billing.

1. What is “balance billing” (sometimes called “surprise billing”)?

When you see a doctor or other health care provider, you may owe certain out-of-pocket costs, such as a copayment, coinsurance, and/or a deductible. You may have other costs or have to pay the entire bill if you see a provider or visit a health care facility that isn't in your health plan's network.

“Out-of-network” describes providers and facilities that haven't signed a contract with your health plan. Out-of-network providers may be permitted to bill you for the difference between what your plan agreed to pay and the full amount charged for a service. This is called “balance billing.” This amount is likely more than in-network costs for the same service and might not count toward your annual out-of-pocket limit.

“Surprise billing” is an unexpected balance bill. This can happen when you can't control who is involved in your care—like when you have an emergency or when you schedule a visit at an in-network facility but are unexpectedly treated by an out-of-network provider.

2. You are protected from balance billing for:

Emergency services

If you have an emergency medical condition and get emergency services from an out-of-network provider or facility, the most the provider or facility may bill you is your plan's in-network cost-sharing amount (such as copayments and coinsurance). You can't be balance billed for these emergency services. This includes

services you may get after you're in stable condition, unless you give written consent and give up your protections not to be balance billed for these post-stabilization services.

Health care services may be provided to you at a network health care facility by facility-based physicians who are not in your health plan. You may be responsible for payment of all or part of the fees for those Out-of-Network Services, in addition to applicable amounts due for co-payments, coinsurance, deductibles and non-Covered Services.

Specific information about In-Network and Out-of-Network facility-based physicians can be found at www.MyHealthToolkitLA.com/links/FMOLHS and by calling Member Services at (833) 468-3594. You may access these websites from home. If you have any questions about how to do this, please contact askHR@fmolhs.org or call (833) 482-7547.

Certain services at an in-network hospital or ambulatory surgical center

When you get services from an in-network hospital or ambulatory surgical center, certain providers there may be out-of-network. In these cases, the most those providers may bill you is your plan's in-network cost-sharing amount. This applies to emergency medicine, anesthesia, pathology, radiology, laboratory, neonatology, assistant surgeon, hospitalist, or intensivist services. These providers can't balance bill you and may not ask you to give up your protections not to be balance billed.

If you get other services at these in-network facilities, out-of-network providers can't balance bill you, unless you give written consent and give up your protections.

You're never required to give up your protections from balance billing. You also aren't required to get care out-of-network. You can choose a provider or facility in your plan's network.

Professional services rendered by independent healthcare professionals are not part of the hospital bill. These services will be billed to the patient separately. Please understand that physicians or other healthcare professionals may be called upon to provide care or services to you or on your behalf, but you may not actually see, or be examined by, all physicians or healthcare professionals participating in your care; for example, you may not see physicians providing radiology, pathology, and EKG interpretation. In many instances, there will be a separate charge for professional services rendered by physicians to you or on your behalf, and you will receive a bill for these professional services that is separate from the bill for hospital services. These independent healthcare professionals may not participate in your health plan and you may be responsible for payment of all or part of the fees for the services provided by these physicians who have provided out-of-network services, in addition to applicable amounts due for copayments, coinsurance, deductibles, and non-covered services.

We encourage you to determine if independent healthcare professionals are participating in the Plan by checking the Plan's website at www.MyHealthToolkitLA.com/links/FMOLHS and/or calling Member Services at (833) 468-3594. You may access these websites from home. If you have any questions about how to do this, please contact askHR@fmolhs.org or call (833) 482-7547.

When balance billing isn't allowed, you also have the following protections:

- You are only responsible for paying your share of the cost (like the copayments, coinsurance, and deductibles that you would pay if the provider or facility was in-network). Your health plan will pay out-of-network providers and facilities directly.
- Your health plan generally must:
 - Cover emergency services without requiring you to get approval for services in advance (prior authorization).
 - Cover emergency services by out-of-network providers.

- Base what you owe the provider or facility (cost-sharing) on what it would pay an in network provider or facility and show that amount in your explanation of benefits.
- Count any amount you pay for emergency services or out-of-network services toward your deductible and out-of-pocket limit.

If you believe you've been wrongly billed, you may contact the Department of Health and Human Services (HHS) at 1-800-985-3059.

Visit: <https://www.cms.gov/nosurprises/consumers> for more information about your rights under federal law.

NEWBORNS' AND MOTHERS' HEALTH PROTECTION ACT

Statement of Rights under the Newborns' and Mothers' Health Protection Act

Group health plans generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours.)

Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2023. Contact your State for more information on eligibility.

Paperwork Reduction Act Statement

According to the Paperwork Reduction Act of 1995 (Pub. L. 104-13) (PRA), no persons are required to respond to a collection of information unless such collection displays a valid Office of Management and Budget (OMB) control number. The Department notes that a Federal agency cannot conduct or sponsor a collection of information unless it is approved by OMB under the PRA, and displays a currently valid OMB control number, and the public is not required to respond to a collection of information unless it displays a currently valid OMB control number. See 44 U.S.C. 3507. Also, notwithstanding any other provisions of law, no person shall be subject to penalty for failing to comply with a collection of information if the collection of information does not display a currently valid OMB control number. See 44 U.S.C. 3512.

The public reporting burden for this collection of information is estimated to average approximately seven minutes per respondent. Interested parties are encouraged to send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the U.S. Department of Labor, Employee Benefits Security Administration, Office of Policy and Research, Attention: PRA Clearance Officer, 200 Constitution Avenue, N.W., Room N-5718, Washington, DC 20210 or email ebsa.opr@dol.gov and reference the OMB Control Number 1210-0137.

OMB Control Number 1210-0137 (expires 1/31/2026)
